

**CHIPPENHAM SPORTS CLUB**  
**REOPENING FOR MEMBERS ON 9 JULY**  
**COVID 19 - MEMBER GUIDELINES**

In the period that we have been closed, there has been a great deal of hard work done to put us in a position where we believe we can safely and sustainably re-open the Sports Club on a limited basis from Thursday 9th July. In getting to this point we have had to consider the safety of all our members and how we operate within the restrictions put in place by the Government. We have, as well, had to ensure we have the finance to re-open and make sure that we have reserves in place to protect the Club should there be a second wave to the Pandemic. This means that we are not able to reopen all of the Clubs facilities immediately, or to be open every day.

As a start we will be opening the main Clubhouse only on Thursday evenings between 1900 and 2200 and on Saturdays between 1600 and 2100. Members wishing to come along are asked to read and observe the guidelines below.

In addition to these guidelines members should be aware that at this early stage:

- We will not be in a position to give members points on their membership cards - however they should bring their membership cards with them and swipe them in at the terminal in the members lounge - this will support our ability to provide track and trace should anyone pick up the virus whilst at the Club.
- We have extended the expiry date on all membership cards for another until 31 July to allow section and social members to make payment to renew their membership.

The Committee will monitor this limited reopening very closely and will reassess what else we might be able to do in the light of experience and if/when government guidelines change.

As always if there are any queries or concerns please contact the club via email on [enquiries@chippenhamsportsclub.co.uk](mailto:enquiries@chippenhamsportsclub.co.uk)

Look forward to seeing you back at the Club soon.
